NEW ARGENTINIAN AUTHORITY REGULATIONS

Dear Customer,

Please be advised that Argentinian Authorities has announced the enforcement of new regulation for all Import Cargo to Argentina effective May 3rd, 2010.

The new regulation establishes that all carriers must provide with in Cargo Manifest and Bills of Lading for all cargo destined to any Argentinian ports below listed items. Therefore, it is very important that all below required items must reflect on all master-shipment instructions:

- **Shipper** complete information.
- **Consignee** information, full address, with the corresponding **(C.U.I.T)**-Individual Taxpayer Identification Number when concerning Companies and **(C.U.I.L)** when concerning to Argentinian citizen, including telephone, fax, city and contact person.
- **Notify party** with the respective **(C.U.I.T)** number.
- **Description of goods**, avoiding general descriptions that do not allow proper identification of the merchandise, such as “general cargo”, “FAK”, “dry cargo”, “chemicals”, etc.
- **Quantity of packages (number) and measurement (Cubic Meter).**
- **Gross weight or volume.**
- **NCM number**, this code identifies the goods (Harmonized Codes), NCM must appear under description of goods, under each commodity description.
- Place of origin of goods.
- Port of Loading.
- Port of Discharge.
- Place of Final Delivery.
- **Container number(s)**, quantity of container(s) and container type.
- **Seal number** for each container.
- **Consolidated Cargo** – In cases when consignee is the forwarder and they are not the final recipient of the cargo , it is required to indicate “Consolidated Cargo “ with cargo description section.
- For **Dangerous Cargoes**, please also provide: Class (IMO), Division, and UN Number, Packing Group, Technical Name, as well as a telephone number in case of emergency, as stated in the B/L.

All information is mandatory, failure to submit complete and accurate master BL before loading, may result in fines as well as extra charges at the Argentinian destinations. In order for you to avoid fines or extra cost associated with any efforts to mitigate expenses and risk, please provide your complete master instruction as per the required procedure:

1) Instructions must be sent via email only to DOCS.USA@NEWPORTTANK.COM.

2) Submit Complete Master Shipping Instructions the latest by noon on the day of cargo cut off.

NewPort Tank Containers appreciates our customers' best efforts to ensure that together we comply with the Argentinian Authorities requirements. Should you have questions or require further information regarding this subject, please contact your sales or customer service representative.

Sincerely,
